

AOFSRR 2015

Asia Oceania Forum for Synchrotron
Radiation Research

25-27 November

Enhancing the collaboration and co-operation of synchrotron radiation facilities in the Asia Oceania region.

The Australian Synchrotron warmly welcomes delegates to Melbourne for the 9th Asia Oceania Forum for Synchrotron Radiation Research. AOFSRR 2015 will share a combined 3-day program with User Meeting 2015, bringing together international and local delegates from across our region to nurture the continuing development of synchrotron science and technology.

in conjunction with

USER MEETING 2015

Our annual meeting showcasing leading synchrotron research and updating users on the latest techniques and instrumentation developments.

Early Bird
Registration
available!

AOFSRR 2015 and UM 2015
will be held at the Australian Synchrotron's
National Centre for Synchrotron Science (NCSS).
800 Blackburn Road, Clayton, VIC 3168.
