

User Meeting 2018

Friday, 23 November 2018

Parallel Session 12: Structural Biology (11:00 - 12:30)

-Conveners: Mark John Hackett

time	[id] title	presenter
11:00	[33] T cell recognition: few more tricks up their sleeves	Dr GRAS, Stephanie
11:30	[16] Broad CD8+ T cell receptor cross-recognition of distinct influenza A strains is facilitated by molecular mimicry in humans	Dr GRANT, Emma
11:45	[34] Understanding CD4+ TCRs recognition of a single HIV epitope presented by multiple HLA class II molecules	Dr FARENC, Carine
12:00	[28] Cholesterol-Dependent Cytolysins: from Water-Soluble State to Membrane Pore	Prof. PARKER, Michael
